Remarks

Note: Remarks are not for responding to an office action.

COMMONLY OWNED, RELATED U.S. PATENTS AND APPLICATIONS: Applicants note that each of the seven patents and patent applications cited in the attached listing are U.S. patents or applications that are commonly owned with the above-identified patent application and may

contain subject matter that is related to the subject matter of the above-identified patent application. The Examiner's attention is therefore directed to the prosecution history of the foregoing related U.S. patent(s) and patent application(s) and prior art cited in these patent(s) and patent application(s); Applicants assume the Examiner has access to all of the prosecution history, including the cited prior art, of these patents(s) and patent application(s), but Applicants will provide copies of all or any part of the prosecution history of or prior art from any of these patent(s) or patent application(s) upon request.
